Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner suggested cancellation of claim 16 for being a broader recitation than what is recited in independent claim 14, and cancellation of claims 17, 18 and 21 for reciting mutually exclusive features from what is recited in independent claim 14. Mr. Miller indicated that, because the client is from a foreign nation, approval from the client is necessary before authorizing these claim cancellations. On July 10, 2006, Mr. Miller contacted the Examiner with official authorization for the aforementioned claim cancellations.
